PROFESSIONAL EXPERIENCE

• Web Developer

Hey! My name is Nick. I'm a software engineer. I have extensive experience with Python, Django, JavaScript, HTML5, CSS3. I'm passionate about my job. Creating interactive, responsive apps with clean code and creative concepts is my way to do the project. Always searching for the best possible solution. I am a professional, who will be happy to make your ideas come to reality. I'm always looking forward to working on meaningful projects.
